Steven Isserlis

Perché Ciajkowskij si nascose sotto il divano e molte altre storie sulla vita dei grandi compositori Steven Isserlis, 2013

All the World's Mornings Pascal Quignard, 1993

Why Beethoven Threw the Stew Steven Isserlis, 2012-11-15 In Why Beethoven Threw the Stew, renowned cellist Steven Isserlis sets out to pass on to children a wonderful gift given to him by his own cello teacher - the chance to people his own world with the great composers by getting to know them as friends. Witty and informative at the same time, Isserlis introduces us to six of his favourite composers: the sublime genius Bach, the quicksilver Mozart, Beethoven with his gruff humour, the shy Schumann, the prickly Brahms and that extraordinary split personality, Stravinsky. Isserlis brings the composers alive in an irresistible manner that can't fail to catch the attention of any child whose ear has been caught by any of the music described, or anyone entering the world of classical music for the first time. The lively black and white line illustrations provide a perfect accompaniment to the text, and make this book attractive and accessible for children to enjoy on their own or share with an adult.

The Bach Cello Suites Steven Isserlis, 2021-10-05 A unique Companion to J S Bach's iconic Cello Suites from internationally-renowned cellist Steven Isserlis. 'Isserlis is the master of the material, yet always able to make it accessible . . . It is an absolute treat to be led to this sublime music by such an enthusiastic expert.' MICHAEL PALIN 'The book I've always wanted: an accessible, eloquent guide to the world's greatest - and maybe most elusive - pieces of music. And written by the man I'd want to tell me about it. This is such a delight.' DERREN BROWN 'Illuminating.' OBSERVER 'Striking.' THE SPECTATOR Bach's six Cello Suites are among the most cherished of all the works in the classical music literature. Shrouded in mystery - they were largely unknown for some two hundred years after their composition - they have acquired a magical aura which continues to attract and fascinate audiences the world over. To cellists they represent a musical bible, to listeners, scarcely less. Through what are on the surface simple dance suites, Bach takes us on a spiritual journey like no other, leading us from joy to tragedy, concluding in jubilation, even triumph. Award-winning international cellist Steven
Isserlis, whose recent recording of the Suites met with the highest critical acclaim, goes deep into that emotional journey, bringing to bear all his many years' experience of performing the Suites. His book is intended as a rewarding companion for all music lovers, ranging from the casual listener to the performing musician. By offering his own very personal observations of the music, Isserlis's aim is to take the reader further into the world of the Suites in order to enhance the experience of hearing some of the greatest works ever composed. Praise for Steven Isserlis's BACH: THE CELLO SUITES 'The most wonderful cello-playing, surely among the most consistently beautiful to have been heard in this demanding music.'

GRAMOPHONE 'Isserlis has done the impossible. He has given the listener something new, and indeed something outstandingly good . . . This recording can sit proudly on the shelf alongside the great recordings of Casals and Rostropovich. In fact, I may find myself picking it up as the favourite.' BBC RADIO 3
